Delegation of Film Performers Expected to Testify To-day

**ALICE LAKE HEADS  
THE DEFENDERS**

Medical Evidence Suggests Another Cause for Miss Rappe's Death

San Francisco, Nov. 26.—Further defense testimony formed to-day's program in the manslaughter trial of Roscoe C. (Fatty) Arbuckle.

A delegation of witnesses from the Los Angeles motion picture colony, headed by Alice Lake, screen star, was here in expectation of taking the stand to testify in Arbuckle's behalf.

No announcement has been made by the defense as to when Arbuckle would take the witness stand.

Medical experts gave evidence at yesterday's session tending to show that the injury which caused the death of Virginia Rappe, in connection with whose death Arbuckle is on trial may have been induced otherwise than by the defendant.

## Mlle. LENGLEN IS CRITICIZED

Called a Poor Sportsman  
By French Tennis  
Federation

**ILL HEALTH MUST  
HAVE HURT PLAYING**

Mlle. Lenglen Should Have  
Returned to France  
at Once

Paris, Nov. 26 (By the Associated Press).—Suzanne Lenglen, woman tennis champion, received qualified approval last night from the council of the French Lawn Tennis federation of her conduct during her matches in the United States. She has repeatedly demanded the approval of the federation since her return from America.

A resolution adopted by the council declared that the doctor's certificates showed that ill-health must have affected her playing but, "from a sporting view" she should not have abandoned her match with Mrs. Moll Bjurstedt Mallory. Furthermore, the resolution said, upon finding herself unfit to play, she should have returned immediately to France.

The council regretted, it said, publication in American newspapers of unfavorable comment on Mlle. Lenglen's sportsmanship.

A good story is going the rounds of the witty reply made by a small boy, recently moved into town, who was telling the lady in the store of the things he liked to do. He said, "I ride horseback. The horse is lazy, but I whip him." Whereupon the lady tried to give him a lesson on kindness to animals. Turning to a corner, Young America—his parents are foreign—asked, "What are all those whips for?" "To sell," was the reply. "Well," said he, "if you have so much sympathy for horses, why do you sell whips?"

## Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine. Easily prepared, and saves about \$2.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with a cough and you want quick help, try this reliable old home-made cough remedy. Any druggist can supply you with 2½ ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many worthless imitations of this mixture. To avoid disappointment, ask for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

## FOUR DOCTORS GAVE HER UP

Through a Neighbor's Advice This Woman Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Kenosha, Wis.—"I suffered with a female trouble and at last was in bed for six weeks with what the doctors called irregularities of the bowels. Four of them said I could not live. A neighbor told me to use Lydia E. Pinkham's Vegetable Compound and it helped me from the start. When the doctor came I told him what I had taken and he said 'Throw my medicine away and keep on with the Pinkham medicine.' I did and it cured me. If more women would take my medicine they would not suffer from female troubles as I did. I have recommended the Vegetable Compound to lots of people and they have been satisfied."—Mrs. MARY RHAPSTOCK, 2704 Wisconsin St., Kenosha, Wisconsin.

When a woman is bothered with such symptoms as irregularities, inflammation, ulceration, a displacement, backache, headaches, bearing-down pains, nervousness or the "blues," she should treat the cause of such conditions by taking Lydia E. Pinkham's Vegetable Compound.

## Why Buick Valve-in-Head Motors Have More Power

Internal combustion motors are heat engines. The more heat retained in their cylinders, the more power they generate.

Water-jacketing space absorbs heat.

Buick Valve-in-Head motors have about 20% less water-jacketing space than the L Head type and about 15% less than the T Head type.

That is one of the reasons why Buick Valve-in-Head motors have more power.
